RE: HEARING APPLICATION
HOSS SUAA
Logansport Field
DeSoto Parish, Louisiana
Our File No. 230593.0083

Dear Sir:

On behalf of COMSTOCK OIL & GAS-LOUISIANA, LLC, application is hereby made for a public hearing to receive evidence concerning the issuance of an order pertaining to the following matters relating to the Hosston Zone in the Logansport Field, DeSoto Parish, Louisiana:

1. To permit the applicant to drill, designate and utilize the Comstock Oil & Gas-Louisiana, LLC - Norwood No. 4 - Alt. Well and the Comstock Oil & Gas-Louisiana, LLC - Warren No. 1 -Alt., at the locations shown on the plat attached hereto, as alternate unit wells for HOSS SUAA, in exception to the well spacing provisions of Office of Conservation Order No. 28-S-4, effective July 22, 1981.
2. To explicitly find that the proposed alternate unit wells are necessary to drain a portion of the Hosston Zone in the Logansport Field underlying HOSS SUAA, which cannot be efficiently and economically drained by any existing well in such units.
3. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hosston Zone in the Logansport Field, DeSoto Parish, Louisiana, was redefined in Office of Conservation Order No. 28-S, effective April 21, 1970.

The Rules of Procedure of the Commissioner of Conservation pertaining to the Pre-Application Notice requirements, are not applicable to the hearing requested herein, which requires legal notice of only ten (10) days.

Pertinent data concerning the intended application will be made available for inspection at the offices of the undersigned. Any person wishing to inspect such data should call the undersigned at (318) 221-6858 during normal business hours or write the undersigned at the above address, in order to arrange a date and time for such inspection. A list of the names and addresses of all Interested Owners, Represented Parties and Interested Parties (as defined in the Rules of Procedure) is attached hereto, and a copy of this notice, with the annexed plat, is being sent to each of such persons. A reasonable effort has been made to determine that the enclosed list includes all of the persons to whom this notice must be sent under the Rules of Procedure.

A check in the amount of \$1,510.00 made payable to the Commissioner of Conservation is enclosed herewith as the statutory fee for holding the requested hearing.

This application is being filed in duplicate, and a copy hereof is being sent to Mr. James C. Broussard, Shreveport District Manager of the Office of Conservation and to each Interested Owner, Represented Party and Interested Party whose name is shown on the attached list.

Very truly yours,
